Additional musicians:

As a parish, we are blessed to have access to talented instrumentalists that play other instruments. These additional musicians may be available for a negotiable fee plus cost of music if needed. Special requests for other instruments are possible, but should be made well in advance.

To ensure musicians are available, please set up a meeting with the music director at least six weeks prior to your wedding. Payment is due at the time of the meeting. Checks should generally be made out to the musicians they are for. We want your special day to be "just right", so please contact us with any questions or concerns.
